

# 2020 Notice to all Artists

## **ArtWalk and COVID 19**

There is uncertainty about what will happen with ArtWalk, given the COVID 19 crises. The ArtWalk Committee has decided to continue with its regular processes while we also carefully monitor the situation over the next few months. Therefore, we are receiving on-line applications from artists and galleries as we usually do between April 1st and June 1st .

As we watch how this unfolds, and as we carefully follow all official directives, we will make a final decision about ArtWalk by mid-July. At that time, we will announce our progress and decision. In the meantime, we look forward to receiving the artist applications and to continue with our creative planning for the next ArtWalk. If you have any questions about this, please contact us at [info@lakecountryartwalk.ca](mailto:info@lakecountryartwalk.ca)

## **The following guidelines apply to your participation in ArtWalk:**

1. There is a single application form for artists and photographers. Groups, Galleries and Fibre Arts will use separate forms, which can be found on the website.
2. Everyone who applies to ArtWalk will be juried every year.
3. There will be two Jury Processes:
  1. General Artists, Photographers, Groups, and Galleries,
  2. Fibre Arts
4. There are two choices for space: 100 square feet for \$100 or 200 square feet for \$200.
5. In addition to the fee for space, all artists will pay a 10% commission fee
6. You may handle your own sales or you may use one of our two central sales tables. If you are handling your own transactions, we trust you to report your sales accurately and remit the applicable commission in a timely manner.
7. We encourage you to create your own display supports/panels/easels that are suitable for your own artworks. (nothing to exceed 72" high). See the web site for some examples and guidelines.
8. ArtWalk has a limited number of grid walls available to borrow - please note they will be shared equally among all requests, so we cannot guarantee a specific number. If you need more than 5 or 6, we strongly suggest that you round them up on your own. Include your request for grid walls

on the second form (Artist Agreement Form) that will be sent to you if you are successfully juried in.

9. The number of artworks that will be displayed in your space is your choice, however, we encourage you to create a Gallery-like display, without over crowding the art. The ArtWalk Committee will provide assistance with your display if requested, and also reserves the right to make adjustments as necessary to ensure your display meets the overall quality expectations of this art show.

10. If accepted into ArtWalk, you will need to complete an Artist Exhibition Agreement online; information from this form will be used to create labels for your artwork. Details and instructions will be provided in the acceptance letter; please note you will **not** need to send images with the Exhibition Agreement, only the title, medium used and approximate size.

**The ArtWalk Committee wants you to have a positive experience at ArtWalk - if you have any questions or concerns, or would like clarification, please do not hesitate to send an email to [info@lakecountryatwalk.ca](mailto:info@lakecountryatwalk.ca).**

**We hope you will have a great experience at ArtWalk!**
